

Pre-Order Keepsakes and Flowers

If this is your first dance recital, you might be surprised to find many of the other parents or family members have flower bouquets or keepsakes ready to present to their dancer at the end of the show. This is a tradition for theatre and arts performances, and while it is not necessary, it is a nice gesture to recognize the dancer's effort over the course of the entire dance year and the achievement of having performed in front of a large audience. We like to let parents know ahead of time, as we hate to have someone feel left out after their special performance.
