

Dance Rehearsal Expectations

- Please understand that every dancer at Footworks has to attend a mandatory dress rehearsal in order to perform in the recital. This helps each dancer and parent understand the order and structure of the show. Mandatory dress rehearsals will be held on TUESDAY, MAY 13TH at Kaukauna High School.
- Please drop off your child on time! We will not be able to wait on dancers who are late, as we need to run on time, in order to stay on schedule. Dancers should check in with the auditorium attendant and a Footworks helper will assist them to the backstage/auditorium area.
- Please look carefully at your rehearsal schedule for all your appropriate times. Your child should arrive in costume, with hair neatly secured up, and make-up complete.
- **PARENTS WILL NOT BE ALLOWED IN THE AUDIENCE DURING REHEARSAL**
- Dancers will be brought out to the lobby as soon as they are finished performing their last routine in their allotted time block. Many dancers have multiple allotted time blocks. They are allowed to go home when they are done rehearsing.
- If your dancer finishes ahead of their scheduled end time, a Footworks helper will notify you (if available).
- Children will be FULLY supervised in the backstage/auditorium area for the entire duration of the rehearsal and recital. The same volunteers will stay with each class during the rehearsal and the recital and remain with the class until every child is picked up on both days. Your child's safety is very important to us. **Please help keep all our students safe by respecting and following these rules.**

If you have any further questions regarding dress rehearsals, please contact the studio before rehearsal/recital events. The rehearsal schedule will be available soon. Thank you!

RECITAL INFORMATION

- The recital is Saturday, May 17th at Kaukauna High School at 2:00 pm. The FDC Enrichment Academy Dancers, Footworks Shooting Stars Dancers, Footworks Competition Company Group Dances and Senior performances will perform in the recital. We anticipate the entire show to be done around 4:45 or 5:00 pm. The solo/duet showcase will be from 12:00 – 1:30 pm. You may choose to attend both shows or just one with your ticket.
- Dancers will need to be in their dressing room, ready to dance with their hair and make-up complete 30 – 40 minutes prior to show time. Please allow extra time to arrive at the school. Costume, hair and make-up often take longer than expected. If your child is rushed or late, this may cause them to be frazzled on stage and unable to perform their best.
- Please remain seated during the performance as much as possible. If you have a young child or need to get up for health reasons, please purchase tickets at the end of an aisle.
- Auditorium door will open at 11:45 and 1:30 for seating.
- For the safety of our dancers and enjoyment of those seated around you flash photography is strictly prohibited during the performance.
- Enrichment Academy Dancers and Competition Company Dancers will be learning a dance for the opening number. They will need a T-shirt. Look for more information to come.
- During the recital, please remember that there is no coming and going. **No dancers will be released at intermission or at any other time throughout the recital.** Immediately following the show, send one guardian to pick your dancer up in their dressing room.
- Finally, we invite you to slow down and enjoy the day with your family. A dancer's participation in the show is much more than the time spent on stage. It is a whole experience, an opportunity to share something with loved ones and a chance to celebrate a huge accomplishment. It is a time spent with dance friends making wonderful memories.

If you have any further questions regarding the recital please contact the studio before rehearsal and recital event. Thank You!

Costumes, Hair and Make-up

Our website, www.footworksdancecompy.com, will offer specific requirements for shoes and tights, along with more detailed information. Use the “recital & tickets” tab.

Costumes should never be ironed, as the heat is too much for the sensitive fabrics. Instead, use a steamer, or hang the costume upside down on a hanger and place it in the bathroom when taking a hot shower. When storing tutus, upside down on a hanger is a great way to keep them full. Remember to keep your costumes in a safe place. Costumes take many months to come in, as they are made to order (sometimes as much as 5 or 6 months for delivery), therefore ordering a new costume is not option. Keep this in mind when ordering your size in the fall, as well.

All dancers, regardless of age, will need light make-up and lipstick. The stage lights are very bright, and dancers will appear “washed out” without make-up. Your teacher will let you know how to wear any accessories. Dancers will need to check their shoes and tights chart (available in emails and on the website). Many classes need tights (the Balera brand is required) and most classes need specific shoes.

ALL dancers will need to have their hair in some sort of “up do”. A low pony with bangs secured back, is a great option for all dance genres. A bun is a great choice for ballet dancers.

Volunteers

Limited volunteer opportunities are available at our recital. For inquiries on volunteering, please stop by our front desk. All seats are reserved. You can purchase tickets for Footworks "Save the Date" at Tutu Tix. Any remaining seats will be available at the door the evening of the show. We expect a near sell-out. A link to Tutu Tix is available on our website. Tickets will go on sale April 9 at 9 am.

FLOWERS AND KEEPSAKES FOR YOUR DANCERS

If this is your first dance recital, you might be surprised to find many of the other parents or family members have small bouquets or keepsakes ready to present to their dancer at the end of the show. This is a tradition for theatre and arts performances, and while it is not necessary, it is a nice gesture to recognize the dancer's effort over the course of the entire dance year and the achievement of having performed in front of a large audience.
