PROGRAM OVERVIEW

Footworks Dance Company is proud to offer a national award-winning competition company program to dancers ages 5 – 19. If you love dance and want to take your dancing to the next level, our competition program is wonderful choice. We aim to provide a culture of team spirit, teamwork, and creativity. Our aim is to help our students become the best dancer and person they can be by exposing them to high quality talent at competitions and engaging them in dance and performance techniques in class.

If you are 5 or older, we welcome you to audition. Competition teams are for students who are passionate about dance, serious about their training, looking for growth and love the idea of being on a dance team. Dancers will adhere to their team contract during the dance season.

Footworks offers several levels of commitment within their competition company, making it a great choice for many dancers. We have teams for young dancers, teams for those looking to compete with 1 or 2 dances and teams for the serious competitor with a higher commitment level.

SEASON

Most Starz and Twinklers dancers will begin their season in September and cumulate their season with nationals in June/July. Their choreography will likely begin when classes begin in September. Select FDC teams may begin some choreography (select dances) in August and cumulate their season with nationals in June/July. The competition dance commitment runs from August to July. **Dancers must participate in at least 1 summer class or camp.** During the season, dancers will participate in the “Showcase” day in December, the “Spring Recital” in May, Regional Competitions (January – May) and a National Competition in June/July. We also hope to participate in a seasonal parade (more information to come). Dancers will be given opportunities to attend a convention(s) during the season. Look for details on conventions listed under your team information.

Starz and Twinklers will participate 2 - 4 mandatory regional competitions and FDC Elite dancers will participate in 3 – 5 mandatory regional competitions. Please look for more details when competitions are scheduled on the calendar. Select groups and soloists may be invited to participate in additional competitions throughout the season. You can expect regional competitions to be in Green Bay, Milwaukee, Madison, Chicago and other cities in Wisconsin, Illinois and Minnesota. You can anticipate all **regional** competitions to be within about 3 ½ hours from Kimberly.

Nationals will be in June/July. More information will come as the calendar is completed.

CLASS INFORMATION

ALL Competition dancers must participate in at least 1 ballet class. Teachers will automatically place dancers in the appropriate level class upon registration to FDC Competition Company. FDC Elite Dancers must also participate in at least 1 technique, stretch and strength class. Any dancer 8 and up is eligible to take a technique class, and this is highly recommended. To be eligible for a solo or duet/trio, dancers must be approved at auditions and participate in at least 1 group competition routine in the genre they will compete with. **Solos/duets are limited** and will be listed on your audition form if eligible. Dancers may take more than 1 ballet class or more than 1 technique class.

SUMMER CLASSES:

All competition company dancers must enroll in a summer class or camp at FDC. **FDC Platinum Elite Dancers must** enroll in the Advanced Summer Camp that is held in the summer. We recommend FDC Elite Gold dancers enroll in the Intermediate Summer Camp. Other Competitive dancers can enroll the summer classes or camps of their choice.

Doctor's notes will be considered excused, however, you are expected to come to observe competition classes when possible. If you are out with an injury or illness for an extended period of time, you will need to know the dance thoroughly before being approved to compete again and strong enough to perform all skills expected in the routines. Make-up classes and at home practice should be expected in these circumstances. Director approval will be required to return to competitions.
