

## RECITAL INFORMATION

- The recital is Saturday, May 18<sup>th</sup> at Kaukauna High School.

**The main show begins at 3:00 pm** and will showcase Footworks Enrichment Academy Dancers, Footworks Shooting Stars Dancers, Footworks Competition Company Group Dances and Senior performances.

We anticipate the entire show to be done around 5:30 or 6 pm.

Our solo and duet showcase will precede the main show, beginning at 1:30 pm. You can come to both performances (solo showcase and main show) or just one with your ticket.

- Dancers will need to be in their dressing room, ready to dance with their hair and make-up complete 30 – 35 minutes prior to show time. Please allow extra time to arrive at the school. Costume, hair and make-up often take longer than expected. If your child is rushed or late, this may cause them to be frazzled on stage and unable to perform their best.
- Please remain seated during the performance as much as possible. If you have a young child or need to get up for health reasons, please purchase tickets at the end of an aisle.
- The auditorium doors will open about 2:30 pm for the main show performance.
- For the safety of our dancers, flash photography and the use of lights in the audience is strictly prohibited during the performance.
- During the recital, please remember that there is no coming and going. **No dancers will be released at intermission or at any other time throughout the recital.** Once the show begins, the backstage door will be locked for the safety of our dancers. Only FDC staff and volunteers will be allowed backstage and in dressing rooms during the show. Immediately following the show, send one guardian to pick your dancer up in their dressing room.
- Finally, we invite you to slow down and enjoy the day with your family. A dancer's participation in the show is much more than the time spent on stage. It is a whole experience, an opportunity to share something with loved ones and a chance to celebrate a huge accomplishment. It is a time spent with dance friends making wonderful memories.

If you have any further questions regarding the recital please contact the studio before rehearsal and recital event. Thank You!
